

## Story Bonnets

What do you get if you cross your favourite story book with an Easter bonnet?

Why a story bonnet of course!

That is just what we did in Year 1. Instead of making regular Easter bonnets, the children and their parents and carers were given the challenge of creating a story bonnet inspired by a favourite story book. And oh

my goodness, they rose to the challenge in spectacular style. There were gasps of delight from the children and teachers when the bonnets were brought into school. Every day at story time, someone is chosen to sit on the story bonnet chair, they wear their bonnet whilst we read their favourite story. This makes our lovely story time a little bit more special.

Remember everyone. . . keep reading!

**Hats Off  
TO  
Reading**
